

Do you remember?
When *we* filmed
The *real* world
Our real world

I look back
To Saturday nights
When we *went*
To Andres

Some of our friends
They all got high
And we *won*
The game of the night

The game of the night
And we were *together*
That night
Why can't we be *together?*
Tonight

Do you remember?
Those nights in my room
When we danced
To God knows who

Do you remember?
Those *nights* in my room
When we *danced*
To *God* knows who

Near Christmas
We dressed up
And we *sang*
Just, just to you

But I can't
Take all the credit
For *something*
I didn't do

I didn't do
But we were *together*
That night
Why can't we be *together?*
Tonight

Do you remember?
The long walks
On Westcott
Late, late at night

Do you remember?
The *long* walks
On *Westcott*
Friday and Saturday nights

There were
Many sleepless nights
But I *would*
Come back to you

And you were
You were there for me
When I *had*
Nothing left inside of me

Nothing *left*, no energy
But we were ***together***
That night
Why can't we be ***together?***
Tonight

(Cut music)
"D.C. Slept alone that night"
(slow singing acapella)

Do you remember?
When we filmed
The real world
Our real world

Do you remember?
When *we* filmed
(bring back music and tempo)
The *real* world
Our real world

The REAL world
I will always
Remember
The real world

(Music fades)

(whisper)
