Scene 1

SPEAKER FOR THE DEAD is at the front of the theater on the stage and the other two actors just sit in the actual audience of the venue.

SPEAKER FOR THE DEAD

Mmmmmmmmm.

Pause.

Hmmmmmmmmmm.

A couple enters.

Please quietly take your seats.

The couple sits down.

Mmmmmmmmmmm.

Pause.

Hmmmmmmmmmm. We want to enter into a calm state when the omniverse opens up, we shall be accepted and open ourselves to openness openly. Pour your soul into the pool of meaningfulness and share this drink with your neighbor. Shar your soul soup with the omniverse and it will spill life and meaningfulness into you open hole. Embrace the space inside the place of your soul. Find you mind and be open to openly accepting the spirits around you. Please take a moment to quiet yourselves as we being the deepest of meditations. Take control of you internal spirit hole and let it be quieted by the void.
