

"after all we've taken from su, it's good for us to give back a little bit."

**danton spina '10**  
Architecture Major

As an architecture major, Danton has pulled more than his share of all-nighters. But he's also had great opportunities he knows wouldn't have been possible without gifts from SU alumni, parents, and friends.

So when it was time to give back, he did, with his gift to the Senior Class Giving campaign. Big or small, gifts to the campaign *will* make a difference in the lives of future students.

Now it's your turn. Go to [classact.syr.edu](http://classact.syr.edu) to give today!

**2010**  
**be a class act!**  
SU senior class giving
