

The AsYet Untitled Huntingtons Film  
Travel Schedule

Dear Applicant,

Please be sure to read through this document carefully as well as the Media Release Form before submitting both via mail or e-mail.

In order to set up an interview you can choose the date, location & time block. Please compare this schedule with your own calendar to see if you could be available on the day and at the approximate time. If you are interested in applying but have any questions about the application that are not made clear to you, please do not hesitate to contact us by email at Interviews@HuntingtonsFilm.com

On the schedule below, the two blocks are as follows:  
MORNING means you could be available 8:00am – 2:00pm  
EVENING means you could be available 2:00pm – 8:00pm

NOTE: We will ask if you will be available at a more exact time after you submit your information and we have reviewed everything.

Also, if you are available between locations listed and your location is not too far out of the way, we can also set up an interview, but you must write in the date, time, and location that you are available in the blank space at the bottom of this list.

We can't wait to meet you and hear your story! Thank you for your support!

Best wishes,  
Danton, Liz, Naomi, & Argo
